## WATERCOLOR ARTIST

### BIOGRAPHY

Inna is a watercolor landscape artist specializing in marine themes, originally from Ukraine, now based in Canada.

She started to paint only 7 years ago and now she is a Brand Ambassador of Silver Brush, representative of International Watercolor Society of Canada in Alberta and owner of the art studio in Calgary.

Her work is dedicated to picturesque coastal views, marine life, and the enchanting beauty of the ocean.

Inspired by the vast expanses of the sea and its diversity, she strives to convey the dynamics of the waves, the brightness of sunsets, and the mystery of the underwater world in her paintings.

Special attention in her art is given to scenes with yachts, sailing journeys, and the iconic presence of lighthouses.

Her paintings aim to evoke a sense of tranquility and admiration for nature in the viewer,

as well as to remind them of the importance of our connection to the sea.

She has been teaching watercolor more than 4 years and loves to share her knowledge with the students about this beautiful medium.
