

Bangel was born in Lisbon, Portugal.

Having a master's degree in Federal Criminal Investigation

She is Financial and Real Estate Consultant with success.

She Participated in the Conference from Science to Technology and Innovation, promoted by the Brazilian Academy of Sciences in May 2014.

She begins Painting in 1983.

She entered a group exhibition in Japan in 2000 successfully.

Has been painting for a few years for pleasure, but never wanted to make painting a profession, as art and culture have always been mistreated in her country, by successive governments.

Therefore, she decided to take other paths that would allow her to continue painting at her pleasure without financial problems.

Her friends have been urging her to exhibit her art, as they admire her creations and that is what she is doing at the moment.

She participates in many country's expositions with success and win award's in Türkiye 2022, NY 2023 and 2024, Award Europe Artist Florence 2024, VENEZE 2024 and N.Y. 2025.

Win The Best CEO Award Europe 2025 in Madrid, Master Mind Award 2025 in N.Y, Creative Excellence Santa Fé 2025, Award Top Selection New York 2024, 7º International Prize Leonardo Da Vince 2025 in Milan.
